

The Lion Handbook of the Bible

Introduction

With 3 million copies in print in 28 languages, The Lion Handbook of the Bible has earned an outstanding reputation as the most helpful & accessible guide to the world's all-time bestseller: 'the best book to have next to the Bible.'

It consists of:

- 126 expert articles on the setting & use of the Bible, & subjects of special interest.
- a 680 page, section by section guide to the Bible, with explanatory notes on key words & issues of meaning & interpretation.
- over 700 colour photographs & illustrations, vividly portraying the world of biblical characters & events.
- 20 charts & diagram, giving historical & background information in a helpful visual form.
- 60 maps, giving locations & other details at the points where they are needed.
- a comprehensive Rapid Factfinder to the Bible - its key people, places, events & teachings - & to the Handbook as a whole.
- The entire book adds up to 816 pages full of information & insight - colourful, exciting, authoritative, readable, & often challenging & inspiring - written by those who have discovered the riches of the Bible themselves & want to share them with others.
