Parenting Education Program Mothers Union

Being a parent is the most important job you will ever do. It can also be quite a daunting and isolating task. Mothers Union Parenting Programme aims to encourage and support parents in this important role through the education and discussion of family issues and skills in a relaxed and friendly environment.

Trained facilitators present a 5-session course that covering parenting styles, child development, building relationships, discipline strategies and family growth. It can be held in your church to encourage, strengthen and support families in your local area.

Make Social Justice your focus 11 October 2009

Congregations in the Diocese of Willochra are encouraged to participate in the annual Anglicare Willochra Sunday to be held this year on 11 October. It is intended that this be a day for reflection, prayer and refreshed commitment to social justice issues across our Diocese. All parishes and ministry districts will receive an ideas package to assist with planning. We ask that you consider supporting the work of Anglicare Willochra on this day.

What is NILS®?

The No Interest Loan Scheme (NILS®) provides interest-free loans for individuals or families living on low incomes. It's a community based program that enables people to access fair, safe and equitable credit for the purchase of goods and services.

Anglicare Willochra has trained facilitators around the Diocese eager to help.
