Affordable PCs

Do your kids need a computer at home for homework? Do you want to be able to surf the internet at home? Could your community group benefit from a computer? Do you think you can't afford it?

Anglicare SA Digital Depot at Elizabeth West has refurbished computers available from \$250 + delivery available to

holders of Pension/HealthCare Cards and Not For Profits organisations.

To assist families dealing with financial strain Anglicare SA has also developed a 2 month Lay-By scheme to enable you to spread payments over a period of time. Phone (08) 8209 5705 / (08) 8209 5403 and mention Anglicare Willochra as a reference.

Housing and Removals

West Works (Anglicare SA) offer a housing and removal service to help people in crisis situations such as refugees and domestic violence situations. The housing service serves to set up a house with all basic items at a heavily reduced price. Contact Anglicare Willochra for referral.

SA Emergency Relief Network

Emergency relief service providers are invited to join the SA Emergency Relief Network. Emergency relief can be defined as "providing financial or material assistance to individuals and families in need".

The SA ERN links together service providers and provides relevant information. Non-compulsory meetings are held on a quarterly basis and membership is open to any organisation with an interest in emergency relief, whether provided directly or indirectly.

Contact Mia Clifford, Communications Officer for further details. Ph: (08) 8305 9393, mclifford@Anglicare-SA.org.au.
