Living Beyond Suicide

Do you know someone who has been bereaved by suicide? Are you not sure what to do or say?

Living Beyond Suicide is a service of Anglicare SA's Loss and Grief Centre.

LBS offers survivor-sensitive early support for families bereaved through suicide.

LBS will be conducting suicide postvention workshops on the Yorke Peninsula (Ardrossan) on 30th November, 9am-4pm. Participants will gain an understanding of the unique issues associated with

bereavement following suicide, learn how to respond sensitively to survivors and gain access to relevant resources.

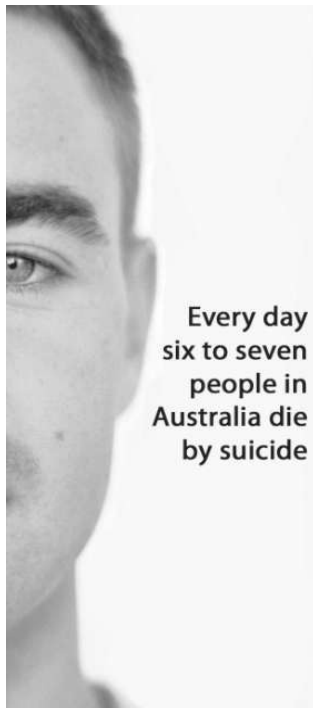

Recommended for professionals, counsellors, survivors and anyone interested in developing their skills in suicide postvention. Further training is provided for those who wish to volunteer to help. Training will also occur in the mid-north and Barossa in early 2010.

To register your interest or for further information please contact Mary Aloisi on 8301-4222 or LBS@anglicare-sa.org.au.

November 21 is

May we be mindful of God's call to holiness and be clothed in the practice of good works, that we may come to God's banquet prepared to feast with the whole world. Amen!
