Are you MONEY MINDED? Financial skills for the future Free community education program

MoneyMinded is based on one of life's fundamentals—we all need to be mindful of our money! MoneyMinded is an adult financial education program which helps people make informed decisions about the use and management of their money.

Anglicare SA and Anglicare Willochra, are delivering Money Minded 'facilitator training'.

- Wednesday 19 November—Cathedral Hall, Pt Pirie
- Thursday 20 November—St. John's hall, Auburn.

MoneyMinded aims to equip people with the knowledge and skills to successfully manage day-to-day and longer term financial matters. Every person's financial circumstances are unique and require a different level of help. Money Minded therefore provides a general program that can be supplemented by more detailed workshops for use by counsellors and participants when considering individuals specific needs.

When you complete the workshop for 'train the trainer' you will have access to free resources, which are available to download from the website, as required. You will then have all the tools available so you can facilitate

small groups or work with people on a one-on-one basis for their specific needs.

Topics covered:

Planning and Budgeting

- Setting goals
- Needs versus wants
- Budgeting

Getting started

Understanding paperwork

Credit providers

Dealing with debt

Rights and responsibilities

If you are interested in the training or would like further information contact Janelle Shephard on 8664 1090 or go to www.moneyminded.com.au. Please advise Janelle by 10 November if you will be attending the training.

Remember training is FREE.

What is a Camelopard?

Improve your vocabulary and contribute to world hunger at www.freerice.com. For each word you get right 20 grains of rice are donated to the United Nations World Food Program.
